Over 30 years ago Ron selected this clear, fenced 2-acre parcel of land, perfect for his love of Astronomy, with a wide open sky with no light pollution and surrounded by views of the Mountains, Ron has loved teaching his passion from home and has educated several groups attending star gazing nights over the years that have been amazed by what they saw.
The all-steel frame 3-bedroom home with a front verandah is solid and a comfortable home, flood-free and enjoying the borrowed landscape from the larger acreage property that wraps around behind.
Ron provided photos of the amazing night sky captured from his home and the rainbow over the home when it was first built all those years ago, he struck gold.
Private and peaceful with plenty of room to build a huge Shed or another home if you choose, the shipping container will remain with a carport attached.
Affordable living with 2 acres plus ample water in the water tanks, an 8-minute drive to Kenilworth, 20 mins to Maleny to pick up life essentials, or under an hour to the Sunshine Coasts' best beaches.
