A HOME FOR THE HORSES AND THE FAMILY

Are you looking for somewhere suitable for your horses? Then you have found it. This versatile five acres block is fully fenced into two paddocks plus the fenced house yard. The beautiful big dam ensures there is plenty of water for your animals, and the whole block is usable. The home is four bedrooms with master complimented with ensuite and walk in robe. Separate lounge room, tiled floors, air conditioning and ceiling fans throughout. The home has solar panels on the roof to reduce your electricity costs and two undercover entertaining areas that look out over the acreage. This property has many features that would suit the fussiest buyer too many to list. Contact Jenny today to book your inspection of this great home.

4 BED | 2 BATH | 3 CAR
