This is indeed a rare find. Sitting on just over an acre situated in the heart of Bellbird Park is this 3 bedroom with built ins, 1 bathroom steel framed home with 4 car accommodation.

The home features a huge lounge room, separate family room and a covered patio looking out over the expansive acre. The master bedroom is air conditioned for your comfort.

A very private location with an abundance of trees (some fruit) yet still so close to all the services you need.

The future opportunities for this property are vast. Renovate, rent, redevelop, subdivide, the choice is yours.
