FINALLY, THE ONE YOU HAVE BEEN WAITING FOR

This outstanding property offers a unique opportunity to secure a peaceful and tranquil lifestyle in a desirable location. Situated on a generous 651sqm block, this three bedroom residence provides the perfect setting for a contemporary lifestyle.

Your new home provides a wonderful backdrop of trees at your back gate with wide open spaces, including gym equipment and walking and cycling paths all the way to Garden City and beyond.

You will be delighted with the massive covered outdoor entertainment area, big enough to host the largest gathering of all your family and friends or a quiet place to sit, relax and take in the sounds of birds. It provides year round comfort with full length blinds to protect from all weather conditions.

Inside, you will appreciate the spaciousness of the rumpus room, the practicality of the large built in bedrooms (main with walk in robe) and the flexibility of the separate living space. In addition, the study area is ready to be transformed into your own work or study space.

The kitchen is definitely the hub of this home featuring large bench space, dishwasher, generous pantry, electric cooking and overlooks the expansive patio and bushland in the distance.

Two spacious bathrooms including a huge spa bath and separate shower provide a modern convenience and a chance for relaxation at the end of the day.
