RESORT SANCTUARY

If staying active while letting the mind chill out is your dream then keep reading. This fully renovated eastern inspired homestead exceeds the benchmark for Pillar Valley. The tropical feel of the inground pool and the landscaped surroundings of the home and outdoor living, combined with the tasteful and relaxed interior will ensure your living experience is like a vacation. You could be anywhere in the world! A roomy and functional kitchen with conversation lounge and separate dining will make it hard to keep the visitors at bay. The parents retreat and ensuite will surely tweak a nerve. Spacious views and privacy are enjoyed from all over this property inside and out. The business end of the property is extensive with loads of shedding, carports, shade houses, fenced growing areas and great water supply from 2 dams with fish stocks and a water licence. Pumps and main line irrigation are in place all the way to the house and a standalone solar system provides power for essential services if required. The owners have created well and the property still offers plenty of blank canvas to include your personal touch and a unique miners hut will surely capture the imagination of the doer.. Too much to tell so call now for an eye opening inspection as the owners have committed to a sale by further reducing the price...
