CAMERA & EQUIPMENT HIRE + STUDIO HIRE BUSINESS FOR SALE

Brisbane Camera Hire was founded in 2007 and holds a substantial inventory of hire equipment ensuring that photographers are well equipped with the very best range of camera equipment for all of their photographic needs. It has an outstanding reputation amongst the photography community with a large number of very loyal followers who have hired since the very beginning. Currently Brisbane Camera Hire has nearly 6,000 hirers on its books with over 800 unique hirers hiring in the last financial year alone.

Brisbane Camera Hire expanded in 2019 into a fully functioning photographic hire studio with the launch of Brilliant White Studio. The studio is a fantastic additional income stream and can be hired out without staff needing to be on site to manage it. It is perfect for portraits, headshots, catalogues, products and more.
