BIG SOLID QLDER ON HALF ACRE WITH MANY POSSIBILITIES

Welcome to 100 Brisbane Street Nanango where you will find a character filled Queenslander waiting for someone to make it their own. The inside has been totally redone with newly polished floors and all fresh paintwork throughout. The old kitchen has been removed but the current bathroom remains. This is a big home and has been purposely presented for sale now so that the new owners can configure the layout of the home however they choose. There are many possibilities with the floor plan. Two big extensions add to the possibilities.

French doors and high ceilings add to the charm. The covered back verandah looks out over the back yard and there is also a ramp for easy access. There is a second toilet accessed from the back verandah.

The half acre block is flat, fenced on 3 sides and has some old outbuildings which are quite usable for the time being. There is plenty of room for a very large shed or pool.

Walk to Nanango Primary School and two child care facilities. The tennis courts are just across the road and the walk to town is only 1km.

There is a ride on mower included in the price.
