A PLACE AMONGST THE FIELDS

This little gem is beautifully located amongst lush, tropical pastures. Situated on a 1 acre lot, it feels as if you are living on a broad acreage farm.
A well maintained and loved 2 bedroom, block home is up for grabs here.
The modern and light open plan country kitchen makes entertaining fun and easy.
The dining/living room is just as inviting, showing off its wood fired heater and beautiful new flooring. Plenty of window space allows a view of the surrounding gardens, paddocks and stunning scenery. The bedrooms are bright and spacious with beautiful vies as well. A large sunroom area could easily be converted into an additional one or two bedrooms if needed.
The adjacent carport, leading into the kitchen or laundry/bathroom area is currently being used as a sitting area but can be repurposed as a carport.
A new shed with concrete floor has been build in the yards to shelter the family cars, or for any other use needed. Another smaller shed including a basic toilet facility can be found just beside it. Water is supplied by rainwater and beautiful bore water.
The yard is fully fenced, with plenty of fruit trees and gardens to enjoy all year round.
