BECOME ONE WITH NATURE - COME TO PALUMA

This is an amazing opportunity to experience the ultimate green change off grid lifestyle, breathe in that pristine clean air that only elevated areas provide.

Nestled in its own environment lies these two unique 5 acres lots of pure tranquility. Become one with nature, listen to the quiet and relax. These properties would make fantastic weekend retreats to recharge those batteries. It's hard to believe that this close to Townsville lies such a different world.

Escape the reality, distractions and stresses of the modern world by surrounding yourself with nature, bird species, massive trees and animals that are found in the wet tropic regions of North Queensland.

Put your own stamp on this blank canvas by building your forever home, or weekend cabin retreat for a calmer, happier and healthier lifestyle.

Lot 2 has access to mountain water from Waterfall Creek and the higher rainfall guarantees lots of rainwater as well.
