These types of homes have been solid starters for many over the years, whether as rental properties or somewhere to complete some DIY and grow your capital value with a bit of a makeover. With three sizeable bedrooms, open plan living area, SFH, deck, new HWS and flat block with good access for building a shed, there's a lot of scope here for someone who loves to roll up the sleeves and spruce things up a bit for the reward. It's getting harder to find homes under the \$400K mark and here is a great opportunity to jump into the market.
