“IN THE HEART OF LOGANLEA” LOT 18/9 SPRUCE ST LOGANLEA

Nestled amongst established housing estates! This one of a kind development is underway and completion date is set down for early March 2016.

This is a boutique development ideally located in the heart of Loganlea.

Featuring gently undulating land boasting a brand new development in the region.

This Prestigious Development offers 1 - 2 allotments to meet any lifestyle; from a compact 1006m2 including easement allotment to spacious home sites.

An abundance of quality educational institutions are on your doorstep and all home sites will feature high speed National Broadband service.

Local proposed infrastructure initiatives include the Logan Hospital, Major Shopping Centres and Private Schools & Transport.

This estate offers the freedom to design your perfect home without restrictive building covenants. Make this brand New Estate top of your list for your next home.
