LARGE FAMILY HOME WITH SPARKLING POOL

The perfect package of space, style, and comfort, welcome to your 5-bedroom home positioned close to schools, hospitals, shopping centres, and a short drive to beaches and Lake Illawarra foreshore.

Ideal for families looking for extra space or savvy investors looking for a promising opportunity, this lovely home ticks all the boxes. Its liveability and lifestyle await you.

The shared living, kitchen, and dining space promotes ample room for the family to come together comfortably. Draped with natural light and timber flooring, the kitchen also features stainless steel appliances including a dishwasher and gas cooktop. If you're looking for more privacy, the second enclosed living area is also available for you to kick back, watch a movie and relax.

The rear yard offers lots of yard space including a covered pergola with an above-ground swimming pool with plenty of room to entertain family and friends and to wine and dine outside overlooking the lovely green grass.

Additional features include a separate double garage with an adjoining tandem-length carport.
