5 ACRES OF FREEDOM

This 5-acre (2.02 ha) approx block is located in a quite country setting of Bauple just south of the small country village of Tiaro in the hinterland of the Fraser Coast.

The block is all cleared and a blank canvas, just waiting for some one to come along and create their piece of paradise.

Bitumen road frontage, excellent dam site. Mains power in close proximity. Excellent views to Bauple Mountain.

At the list price of \$199,000 I don't expect this block to last to long.

Please call Phi Edmunds for more information.
