1189SQM OF PRIME GEILSTON BAY LAND! PERFECT FOR A STRATA OF 2 STCA.

A rare opportunity to purchase a larger than average allotment of 1188m2 in Geilston Park, well suited to multiple dwellings (subject to council approval). The total land size is approximately 1188m2 and an easement runs down the southern side prohibiting any improvements on this component. The Usable building area is approximately 710m2 with the additional area very suitable to the required off street parking for any multiple dwelling scenario. The 710m2 alone is sufficient for planning scheme compliance for 2 dwellings, the easement area of 480m2 allowing a greater feel of space. This opportunity will not last long, please Contact Ben for any further information.
