ULTIMATE PRIVACY

Escape the world, enjoy the views and still be only 10kms from Gympie with this totally private 59.3 acres (24.03ha) piece of paradise.

You can own both sides of this secluded valley and enjoy all of its benefits. Soil types range from rich red to lighter forest soils, giving you many options of what to grow where. The perfect blend of improved pasture, rainforest and Eucalyptus, which the local wild deer regularly visit.

Abundant water with 2 good-sized dams. 3 phase electricity is connected to one of these and an electric pump which pumps to an elevated 5000gal header tank and gravity feeds to the orchards and shed.

Set in a private position with panoramic views is the 25m x 14.5m shed, which has a 14m x 9m lock-up section with concrete floor, front parking bay and full length drive-through bay. 1.5kw grid connect solar power and 15,000 gal of rainwater.

A lengthy section of the driveway is concreted, giving you all weather access. The property is fully fenced and could well suit the private, self-sufficient lifestyle. Come and be impressed today.
