MOUNTAIN CHALET WITH GOLD COAST VIEWS ON A 1,694M2 FULLY FENCED, USABLE BLOCK.

If you are looking for something unique, well this is it!

Situated in a quiet cul de sac, this character filled Mountain chalet sits pride of place to take in beautiful views of the Gold Coast and Mountain ranges from both levels of the home and yet is so private from the street.

Large windows draw the outside in, bringing light and breeze into the home and the loft style ceiling, stylish timber staircase and earthy tones throughout, result in a home that is gentle and natural. The new owner will feel each day living here is an escape from the outside world in your own hinterland retreat where you can enjoy those beautiful summer breezes or watch magnificent storms roll in over the ocean.

The decks are an extension of the living areas with a very private, covered entertaining deck overlooking the fully fenced backyard. There is plenty of space under the house for a workshop, storage areas and single car garage with the added bonus of a separate carport and an open space with plenty of room for a 3rd vehicle, trampoline or fire pit.

This block is 1694m2 in size so there is plenty of room for the kids and family fur babies to run and explore whilst you just sit back, relax and enjoy the surrounds.
