With your own boundary adjoining private and serene bushland, this home makes you feel like you're a million miles from anywhere with its wide-open outlook across the greenery and birdsong.

Substantially more generous than its neighbours, this is a big 4 x 2.5, two storey home with a huge level back garden of the kind you are unlikely to find in another downsizer home – "a traditional backyard".

There is no gate currently onto the adjacent reserve however you could easily look into putting one in and enjoy strolling through the natural bush direct from your garden to the soon to be renovated Ocean Village Shopping Centre which is only just beyond the bush and 100m across the wonderful network of parklands that lead all the way down to the oceanfront without even crossing a road.

Internally this home has it all; two big living areas interconnected by a galley kitchen, all of which have a tranquil aspect down the length of your private rear gardens and alfresco living areas to the bushland beyond providing wonderful natural light and green outlook wherever you turn.

Upstairs are four big bedrooms, three of which share a family bathroom. The biggest, the master suite is in its own private corner of the home with its own ensuite and walk-in robe and is flooded with warm northern sunshine.
