BRICK AND TILE HOME - ONLY JUST OVER 1 YEAR OLD

Welcome to 39 Millis Way Nanango Q. The owner has had a change in circumstances and is selling this very nice near new home sitting on 842 m2 block close to town and the Nanango Golf Course.

Instead of the long wait for building a new home and then adding all the extras, have a look at this one which is priced as below replacement value on today's prices.

Main features are:

- *2 good size bedrooms- both with built-in robes. The original plan was a 3 bedroom home but the owner used the space from the 3rd bedroom to add extra living area.
 - *Good size lounge/dining/kitchen all tiled and with R/C air con. Double sliding glass doors open to the covered back verandah. There is direct access from the living area to the single car garage with remote roller door. The laundry is located at one end of the garage area.
 - *The bathroom is a good size with toilet included and there is a second separate toilet which is a added bonus.
 - *Ceiling fans throughout.
