STYLISH RENOVATED END TOWNHOUSE IN SMALL QUIET COMPLEX

Vacant and ready for quick settlement possible - start the new year in your new home.

Immaculate in presentation with a quality finish, this stunning home is perfect for first home buyers, downsizers and investors alike.

Featuring gorgeous timber style flooring with a cool crisp, clean white kitchen with updated appliances and large open plan living and dining that open out through sliding doors to your front courtyard with outlook and breezes.

There is a separate renovated laundry and toilet downstairs for function and convenience and that leads to your rear outdoor entertainment area with a private garden setting which is fully enclosed and pet friendly on application and with body corporate approval.

Upstairs boasts stunning on trend and beautiful sage green feature walls with detailed panelling in both generous sized bedrooms and with great wardrobe space. Sage green is completely on trend as a colour palette at present and creates a calming feel and atmosphere for relaxation.

The main bathroom has also been finished to perfection and has a luxury hotel feel with mood tiling and accessories for everyday use.
