IDEAL FOR:

This block is ideal for young families wanting to build a beautiful home big enough to incorporate 2 living areas for Mum and Dad to unwind and relax after work as well as areas where the kids have enough space to grow up, study and play both indoors and outdoors.

It will also suit down-sizers who love this area and want to stay here, because there's ample space to build a charming single storey residence with a cleverly thought out low-maintenance outdoor area to relax in.

BLOCK HIGHLIGHTS

- A COMFORTABLY LARGE 430m2 block. The availability of this size is rare and is in huge demand because it's large enough to build a high-quality home in a choice of different designs to
