SCENIC HINTERLAND RETREAT WITH STUNNING OCEAN & SKYLINE VIEWS

Welcome to your own private paradise in the heart of the Gold Coast hinterland. Conveniently located on the southern end of Tamborine Mountain and just 26km from Main Beach, this renovated cottage on 7 acres offers the ultimate blend of peaceful country living, modern comfort, and development potential.

Tucked away yet surprisingly connected, this elevated haven hideaway captures panoramic views stretching from the glittering Gold Coast skyline to the rolling, ocean, Hinterland and Border Ranges. From golden sunrises to magical moonrises, every day here begins and ends with a breathtaking show.

Step inside and you'll find a character-filled home brimming with warmth and light. High raked ceilings, polished Brushbox timber floors, and a striking 6-metre leadlight feature window create an inviting open-plan living space anchored by a cozy fireplace. The new kitchen features an induction cooktop, under-bench oven, and dishwasher, while the modern bathroom is finished to a high standard with a separate toilet.

The home offers three generous bedrooms with built-ins, all designed to capture the beauty of the natural surrounds. Outside, the wrap-around verandah is the perfect place to unwind or entertain as the skyline unfolds before you, the perfect setting for quiet reflection or twilight gatherings.

With approximately 74 metres of frontage and both upper and lower sections of land suitable for future infrastructure, this property offers flexibility and exciting options for the future:

Build your dream hinterland home while residing in the existing cottage

Explore eco-tourism or holiday letting potential

Add sheds, workshops, or a second dwelling
