AMAZING

This amazing place has to be seen. A great weekender or a relaxed home for the laid back owner, looking for a little privacy and a river nearby. The property is 8698m² of mainly trees with some bamboo, beautiful graveled walkways and a container home. Two containers used as a bedroom with ensuite, and the other one as a kitchen, have been placed with a common roof to accommodate them and an outdoor area used as living/dining room. Very rustic, very original. A caravan serves as additional bedroom, with two double beds. The surrounding area is immaculate with a permanent seating area around the barbeque amongst the gardens and trees. The Beatrice river can be accessed at the bottom tip of the property with a beautiful walkway leading to it. Water is being supplied by a pump at the creek flowing into the Beatrice.
