

SOLD

VERY RARE OPPORTUNITY!

If you are in the market for something different, that one special property which completely stands out from the crowd, where the possibilities are endless, then look no further as you have arrived at 182 Brisbane Terrace, Goodna.

Premierre Group is extremely excited to welcome all buyers to this wonderful property which can accommodate a small army, and we're not kidding. The property consists of 4 bedrooms, all with built in robes with an ensuite to the Master, three separate living areas, a large kitchen, a huge undercover alfresco area, a very impressive custom design in-ground pool and enough room in the back to build a second castle.

This home is certainly not a new build, but who cares as they just don't make them like these anymore, the property does present as a modern home, its completely rendered with landscaped gardens and defiantly demands respect as it has that sense of grandeur as soon as you arrive at the home, for the price and inclusions included, it will without a doubt will leave the rest of the competition dead in the water. The property itself sits on a flat 2245sqm block of land and provides generous side access so the possibilities are left only to the imagination. The home is in need of some renovation, but majority of all works has already ready been completed leaving only the finer details to be finalised by the new owner.

Now for the fun part, this home also includes a garage with enough room for 6+ cars, a workshop and also has a separate office area so the option to run a business from home is a very convenient option.

The Vendors have spoken and this Home will be sold, in this market properties like these are nearly non-existent so save yourself the heartache and disappointment of missing out on this very rare opportunity and contact one of our agents today
