PRICE REDUCTION TO \$87,000

This 725 sqm blank canvas has made itself available to the market and is waiting for you to turn those great ideas into reality. With so much space for you to make the most of, presented to you is the chance to build the home of your dreams or the perfect addition to your investment property portfolio

Location is central to town and in a cul-de-sac, neighbouring Watson Road subdivision, there is plenty of potential for an investor to take advantage of and add value to this property by developing.

Motivated vendor to sell!!
