NOTHING TO DO BUT ENJOY THE VIEW

There's nothing to be done here except settle in and admire the tranquil views. You will feel as if you're living in an upmarket eagle's eyrie when you're in this exceptional house at the top of the hill.

This easy-living, modern home has 3 bedrooms, 2 bathrooms, a separate laundry, built-in wardrobes, and a very spacious kitchen, perfect for hosting a generous amount of friends and family.

Surrounded by sweeping lawns and a landscaped garden, the fully fenced 1025 m2 section is perfect for all outdoor activities.

The home's design makes the most of a well-designed space for gracious entertaining and versatile family living.

Additional features include; double glazing, a heat pump, a fireplace, boiling water on tap, an outdoor shed, fresh paint, and neutral decor to add your personal touch. There is parking space for 5 cars and plenty of opportunity to add covered parking.

Please contact us for a chat about comparables and price indications.
