ITS THE HOUSE! ITS THE VIEWS! ITS UNIQUE...

Are you looking for acreage, something tucked away, hidden from the road and neighbors?

We welcome you to view this beautiful home that starts as a subtle driveway of the battle axe property.

The shared driveway is 400M long, tucking the property behind the main street properties and hidden in the hill surrounded by trees. It is peace and quiet here, and presents itself well with elevated views.

The house is a modern plan low maintenance Besser Block home, with steel frame (termite proof) fully tiled throughout with 3 spacious bedrooms, 2 bathrooms, 2 living areas, separate laundry, double lock-up garage with internal access and back verandah. The house is flooded with natural light with ample windows and sliding doors.

The kitchen is modern with a large Caesar Stone island bench, all benches are Caesar Stone and are above standard height, there is plenty of cupboard space. It has an electric benchtop stove and rangehood, with an inbuilt electric oven and a new Bosch dish washer.

It has an open plan kitchen/dining area that opens up to the outside views of the Millstream hills through the double glass sliding doors. The lounge room is warmed by the larger slow combustion fireplace in winter. There is a second family room for the larger family.

The master bedroom has built-in cupboards, tiled floor, ceiling fan, air conditioner, large spacious size with ensuite - relax in the spa bathtub also includes a double shower with a separate rain shower head.

The garage opens up at the front with one being an automatic, sectioned garage door, with remote. Presenting a spacious area for 2 cars and storage.

The back of the house opens up to the verandah that overlooks the beautiful old stone pond and gardens and Millstream hills.

Separate laundry room with a double-doored, floor to ceiling linen cupboard

Surrounding the house are gardens, rock walls and features, a chicken coop which is easy clean
