EXTREME MAKEOVER (SOLD PENDING TITLE SEARCH)

This once lovely family home is in desperate need of restoration presenting a once-in-a-lifetime opportunity for someone with the ability to create a fabulous residence and unlock some additional value - for less!

The original home, a Lockwood, was built in 1976, the basement added the following year bringing the floor area to a whisker under 180sqm. It has three bedrooms and two bathrooms, spacious open plan living, a large deck overlooking the road and fenced and gated grounds - very private and pretty out the back - a huge pergola (BC but no CCC) running the length of the house.

The site is freehold, 624sqm (mol) and zoned Mixed Housing Urban - with services onsite or next door on the road front.

Located in the middle of Massey - near equidistant from bustling Northwest Shopping Centre and Westcity and only a stroll to the bus stop and local schooling options.

There's work to be done and money to be made! Fortune favours the bold.
