"EXPERIENCE MODERN LUXURY IN LOGAN RESERVE - 4 BED, 2 BATH HOUSE WITH ENSUITES, STUDY AN SOLAR

Welcome to your dream home in the tranquil suburb of Logan Reserve, located in beautiful Queensland, Australia. This stunning 4 bedroom, 2 bathroom, 1 ensuite, and 2 garage house is now available for you to call home. Nestled on a 400 square meter block with a spacious 190.0000 square meters of floor area, this property is the perfect size for a growing family or those who love to entertain.

As you enter through the front door, you are greeted with a sense of warmth and elegance. The open plan living and dining area is flooded with natural light, creating a welcoming and inviting atmosphere. The modern kitchen is equipped with all the necessary appliances, including a dishwasher, making cooking and cleaning a breeze.

The master bedroom is a true sanctuary, boasting a luxurious ensuite and a built-in wardrobe. Wake up to stunning views of the surrounding nature, and make your way to the outdoor deck for a morning coffee. The remaining 3 bedrooms also feature built-in wardrobes, providing ample storage space for all your belongings.

Whether you're hosting a summer BBQ or enjoying a quiet evening with your loved ones, the outdoor entertainment area is the perfect place to do so. The fully fenced backyard offers privacy and security, making it a safe space for children and pets to play. The remote garage provides secure parking for your vehicles, giving you peace of mind.

This property also has a study and a rumpus room, providing the perfect space for a home office or a children's play area. The built-in features, both indoors and outdoors, add a touch of convenience and practicality to this already amazing home.

But that's not all, this property has excellent heating and cooling features, including air conditioning, ducted cooling, ducted heating, an open fireplace, and a reverse cycle air conditioner. No matter the season, you'll always feel comfortable and at ease in your new home.

As an added bonus, this property is also eco-friendly, with solar panels and solar hot water. Not
