BIG MODERN HOME IN THE CENTRE OF TOWN

Big Modern Home In The Centre Of Town

The emphasis on spacious living areas, modern amenities, and thoughtful design features really make 2 WATSON CRT stand out. The master bedroom is luxurious with huge walk-in robes and ensuite, and the open-plan living area seems perfect for gatherings and daily living. The three separate living rooms offer flexibility for various uses, catering to different lifestyle needs.

The attention to detail in the kitchen, with its stone benchtops and ample storage options. The inclusion of a large butlers pantry gives the extra storage space for a large family.

The ducted reverse cycle heating & cooling ensure comfort throughout the year, which is essential for any home, especially in areas with fluctuating weather conditions.

The outdoor entertaining area is a highlight, especially with the expansive sliding doors that seamlessly blend the indoor and outdoor spaces overlooking an inground pool. Also having secure side access is definitely a bonus for storing outdoor equipment like boats or caravans.

Overall, it sounds like a fantastic home & only a short stroll to the CBD, Schools & Clubs. The home offers both style and functionality, perfect for families or those who love to entertain.
