QUIET, PEACEFUL, LIGHT AND NEW

3  | 2  | 2 

Beautifully designed for a couple or small family, this light filled home in a quiet street is quite possibly the best value newer home currently on the market in Richmond.

The vaulted ceiling in the open plan kitchen, dining and living space gives a real sense of grace and the indoor outdoor flow is superb with sliding doors accessing the private section from both sides. The covered alfresco entertaining is enhanced by the large kwilla deck which extends the length of the home, allowing access to the master suite.

3 double bedrooms provide the accommodation, the master being generous in size with ensuite and walk in robe. The garaging is a true double, being slightly longer than standard, allowing room for both vehicles and storage.

Tastefully finished with a modern colour scheme throughout, the living is easy here. Take away all the hassle of building your new home, it's all done for you. View with Ben today.
