Welcome to this intriguing 3 bedroom home with charm, versatility and room to grow. Nestled in the heart of this established, convenient location. Presenting with 3 generous bedrooms, rumpus, 1 bathroom, and a tandem garage with workshop/storage area, this property offers the perfect blend of comfort and practicality. But that's not all, the stunning mountain views are sure to have you captivated from the first glance.

As you approach the house, you'll be greeted by a lovely balcony that overlooks the well-manicured front lawn. Imagine sipping your morning coffee here, basking in the warm sun and taking in the family friendly neighborhood. And if you have extra cars, a trailer, boat or van, there is plenty of room for off street parking with a generous front yard.

Step inside and discover more than meets the eye. There are beautiful floorboards that add warmth and character. Two of the 3 spacious bedrooms have a built-in-robe plus walk-in off master suite offering space and convenience.

The kitchen with gas cooking, dishwasher and adjoining dining room is updated, plus there is a tiled white bathroom and a seperate toilet.
Downstairs, discover a large rumpus room with billiard table (included) and bar, (this could also be converted to a huge 4th bedroom), plus doors through to your tandem (double length) garage and extra study or workshop area to tinker away in, or perhaps an ideal space for extra storage.
