CITY BEACH BORDER | SOUTH SCARBOROUGH OCEAN ZONE | PROPOSED GREEN TITLE STREET FRONT LOT

Nestled just behind the coastal dunes, only two streets from the sparkling waters of the Indian Ocean, and just over the City Beach border, lies this large lot, metres from neighbourhood parklands. A (proposed STCA) green title, giving you the highest possible form of ownership and total control over your future home and asset forever.

Only seconds walk due-west to perhaps Perth City's most private and secluded stretch of beachfront – with no carpark, this is "your" beach, accessible by local foot-traffic only. On a crowded 40-degree day you can see the distant crowds of people to the north at Scarborough and the throngs of people just south at the City Beach dog beach, but literally have no-one else around on this beautiful private stretch of coastline. Truly magical!
