NEAT, SWEET & COMPLETE!

Located in a quiet cul-de-sac in a tightly held pocket of Nudgees, this lowset brick and tile home is sure to attract interest from a variety of buyers. Positioned on a whopping 978sqm block, with its fully fenced yard, this home is perfect for growing families looking for space to grow and play. Although, being a very well maintained brick & tile home so close to transport, schools and shops... it would also suit an investor looking for hassle-free returns in a blue-chip suburb demonstrating consistent growth.

So as mentioned, it's a large brick veneer home with a tiled roof, and floor coverings are either a floating floors in the bedrooms or tiles in the high traffic areas... very low maintenance. There are 3 good sized bedrooms, each has a ceiling fan and built-in robe (although it's a walk-in robe & ensuite for the main).

Beyond the bedrooms there is a huge open plan space encompassing the modern kitchen, meals/dining and lounge room. It flows out to the covered patio that wraps around the back and side of the home providing the opportunity for separate outdoor spaces to enjoy.

As the old saying goes, location is everything, and it doesn't get much better than this one! Easy access to:-

- M1 for convenient travel up or down the coast is just 1.3km away;
- Nudgees train station just 200m away;
- State and Private Primary Schools within walking distance and numerous Secondary Schools accessible by public transport;
- Australian Catholic University just 1.1km away
- Recreational facilities such as Nudgees Golf Club, Virginia Golf Club, Nudgees Recreation Reserve, bike paths and walking trails...and the All-In Brewing Company a short walk away.
