COASTAL CHIC LUXURY WITH PANORAMIC GOLD COAST SKYLINE & OCEAN VIEWS

An exceptional lifestyle is delivered by this stunning "Sandsky" architectural masterpiece, flaunting a sophisticated ambience and timeless design, you will want to call this property home.

Exquisitely renovated, the tri-level home delivers elegant refinement with relaxed comfort. Enjoy here the most magnificent vistas of the Gold Coast Skyline and Pacific Ocean from the privacy of its multiple sumptuous relaxation areas, every-one provides the most impressive aspect for you to enjoy all year round.

Designed for families who love to entertain, its many highlights include the most impressive designer kitchen with top-of-the-line appliances and an extra long Caesar stone island bench-top, multi level alfresco relaxation retreats to service the bedroom suites and surrounding the pristine in-ground saltwater pool. Located in a tightly held prestige pocket of the highly sought-after "Vue 360" enclave, it is conveniently just minutes from shopping, schools and transport.

On arrival the impressive façade with the most beautifully manicured gardens welcomes you in and leads to the striking front foyer. On entry you will find perfectly balanced formal and casual living zones, impeccably decorated and sure to impress. The spacious luxurious interior is brimming with natural light showcasing high ceilings, powder finish off white flooring across the open plan living areas, deep plush carpets to the generously sized bedrooms and plantation shutters throughout. The master suite is a true retreat which not only provides the extra large walk in robe and double vanity en-suite with floor to ceiling tiling, it also has it's very own large private deck, an extra spot to soak up the serene surroundings and truly majestic views.

The floor plan flows effortlessly through to an exquisite light filled designer kitchen with an open plan luxury filled boutique style vibrance. This flexible space, including two living areas plus dining all overlook the tranquil rear gardens and entertainment areas, catering for both large family gatherings and everyday living.
