EASY INDEPENDENT OVER-50S LIVING

Palm Lake Resort offers the perfect balance of easy care living, with plenty of opportunities for extra activities as well as privacy and individual freedom. It offers a friendly lifestyle that is set on well-manicured grounds that are maintained by someone else.

This two-bedroom home in a tree-lined avenue has a crisp and light feel, with high raked ceilings in the living areas. The lounge is large and adaptable, and easily accessed from the well appointed kitchen with breakfast bar that opens onto a separate, bright dining area. The generous sized main bedroom has a full length wardrobe, and the second bedroom has a built-in. There is a covered private outdoor area and easy maintenance fully-fenced back yard. The combination of external adjustable awnings, plantation shutters, air conditioning and ceiling fans allows you to adjust your environment for comfort in every season.

Just a short walk brings you to the resort's Country Club with swimming pool, theatre room and dining areas, where you can enjoy the stunning garden views or play on the competition-size billiard tables. You have a library come computer hub. For those who like to use their hands, there is a shared Art Space and a very well-equipped woodworking space. Not to mention the covered lawn bowls and a second heated pool. The features of the Country Club and amenities are too many to list and speak for themselves. The link below provides more details.

Come and enjoy living here. No work, easy care, plenty to do if you wish, or lock and leave when you travel. This pet-friendly environment gives options.
