This is one of a small handful of landholdings on the entire coastline of wider Perth City that do not have a road between you and the oceans edge. Remote and other-worldly beauty define these extraordinary ocean views. It feels like you are a million miles away from everywhere, yet you are only footsteps to the thriving heartbeat of one of this City's 5 only ocean marinas.

Stroll down for an ocean swim or a harbour swim depending on the wind direction. Watch the cray boats leave the port from your kitchen every morning. Meet friends at the myriad cafes and bars for an active and social coastal lifestyle like no other!

The original home has large rooms, soaring ceilings and exudes the warmth and charm of bold hardwoods, natural granite, log fireplace and literally some of the best ocean views you are ever likely to see from almost every window in the home. Perfect to move in and live "as is" or a wonderful blank canvas to take to any level that your imagination will allow you.

Buy this home for the lifestyle whilst at the same time being rewarded by the investment. Investments love rarity and they don't get any rarer than this! They also do not make locations that are any more fun to live in!
