The backyard has easy access from the street for caravans etc and there is ample room for a very large shed and swimming pool. The property is flood free with town water and septic although Council has commenced sewerage infrastructure to this area of Gympie.

The gardens are well established for easy care, shady and private and there is an air of relaxation about this solid home and location that just invites you to move in. There is a new Colorbond roof on the house and the boundary is mesh fenced.

This home is in the premier Gympie suburb of Southside and if location, price, and privacy is your lifestyle goal, this home must be on your inspection list. The owner has had a change of direction and is looking to move back south nearer to family.
