16-20 GEORGETOWN ROAD, CHILLAGOE, QLD, 4871

SOLD

UNIQUE OPTIONS AWAIT HERE. SIX BLOCKS OVER 2 ADDRESSES. BUY ALL 6 OR CHOOSE THREE TOGETHER 3036M2. ASK ME HOW IT WORKS...

There are six blocks up for sale at 16-20 Georgetown Road and 1-3 Bluff Street, Chillagoe. A laneway in between, but all are together. Confused - just give me a call and I'll explain it further.

A bore exists here, electricity and town water a possibility (subject to Council approval).

Flat blocks with a seasonal creek (dry most of the year) runs near this land. Located over the bluff from downtown Chillagoe. A couple of minutes drive to the two pubs, general store, post office, coffee shop and more. But could be in the middle of no where. Only one neighbour and surrounded by State owned land that is not likely to be developed any time soon.

Basically vacant land with a couple of outbuildings from long term tenants that would be best demolished. There is a very rustic shed (not council approved) but useable. The possibilities are endless on these blocks.

Where else could you get 6,072m2 of land to do with as you wish.

Look forward to chatting further about these blocks and what you could do there - call Kendall anytime on 0417 167 695.
