This glorious Mediterranean inspired home sits on a huge, elevated corner ocean view site, footsteps from the waters edge, in a whisper quiet cul-de-sac, with two different park networks only two houses away to the north and also two houses away to the south which both meander unbroken like green ribbons all the way to the City Beach Waterfront.

This immaculate "move in now" family home has pristine interiors flowing to ocean view lawn terraces, ocean view balconies and sundrenched north facing pool and alfresco areas at every opportunity.

So well suited to a large family, the floor plan is perfectly zoned with kids' bedrooms in one wing guest bedroom in another, master suite and parents retreat in a third and a super secluded work-from-home office in its own quiet corner of the house.

Five beds in total plus a study, three living areas triple garage gymnasium and below ground pool on a huge 911sqm landholding.

Life is good here....Welcome to The Parks District, City Beach!
