GREAT HOUSE IN THE HEART OF CHILLAGOE ON 1012M2... SNAP IT UP.

This house is of a very simple but functional design.

An entry, then two bedrooms to the side of this space, then into the dedicated dining room and living room to the left. The high ceilings are great and loads of windows (some louvres) allows the light and breeze in.

The kitchen at the rear is like a Commercial Kitchen with stainless steel benches and open shelves. Continue on to the laundry with room for a desk and small office. Then the main bathroom. There is a small patio at the rear overlooking the block which is fully fenced for pooches and kids.

All very simple and easy. Freshly painted, new vinyl floor coverings, renovated bathroom, kitchen and laundry.

Nothing more to do except move in. Tenant in place paying \$320 per week.
