NEW STUDIO CABIN, 14HA AND PERMANENT MOUNTAIN STREAM AND A SPRING.

Discover your own piece of paradise at this enchanting rainforest retreat, featuring a studio cabin and a charming two-bedroom renovator just waiting for your personal touch. Nestled amidst stunning natural beauty, this property boasts a picturesque mountain stream and walking tracks that meander through lush landscapes. Nature enthusiasts will delight in spotting tree kangaroos and cassowaries that call this land home, along with the chance to glimpse the elusive platypus in the tranquil creek below.

A thoughtfully cleared track leads down to the creek, complete with cozy seating for moments of relaxation. For those looking to enhance their outdoor experience, there's an ideal spot behind the small sheds near the new cabin that drops off to the creek—perfect for a viewing platform to take in the breathtaking surroundings.

Water is conveniently pumped from the creek to the tank behind the old cabin, with power already connected to both structures. Whether you choose to live in one cabin while renovating the other for rental potential—perhaps even as an Air-BnB escape—this property offers endless possibilities. There is a cleared spot, benched and ready for your dream home perched atop the hill, savouring the peaceful ambiance, or explore potential sites for yurts or additional cabins. With an underground spring bubbling up from beneath the rocks and a ride-on mower included, this retreat is a rare gem that promises tranquility, adventure, and a chance to connect with nature. Don't miss your opportunity to own this unique haven!
