UNIQUELY APPEALING

This two bedroom, 2 car and 3 toilet "A" framed house offers warmth, charm and character. If you are looking for something out of the norm this home is worth inspecting. The main bedroom located downstairs, and the lounge/living area, have just been newly recarpeted. The second bedroom and bathroom with a spa bath is on the upper level. You may be deceived by looking at this home from the outside, but it actually offers ample living room. The second split level takes you into the German hardwood kitchen/dining area. There is enough room on this level for a lounge TV area and has a petite balcony in the entrance area. The second room is located upstairs with its own little balcony and a view across the neighbourhood. The yard is well established with palm trees and hardy plants. There is a concreted covered greenery outdoor area just outside the back entry, ideal for entertaining or as an outdoor eatery. This house has plenty of potential and is awaiting some TLC to freshen it's character. If you are looking to downsize, or an investment or perhaps a holiday home, this unique house has lots of potential.
