MAKE YOUR DREAM HOME A REALITY IN 2025

Our owners change of plans, is your gain. A move interstate means our owners are no longer able to build their dream family home on this beautiful 450m2 block in Whitlam.

With both neighbours already finished, and your neighbours behind under construction, you won't need to worry about trades waking you up early in the morning or waiting months to have your fences to go up. Be part of the growing Molongolo Valley, close to Belconnen, CIty & Weston Creek- along with beautiful nature trails are your doorstep.
