GREAT ENTRY TO MARKET

This two bed villa is in a super location close to many essential amenities. Presenting beautifully with single undercover carport, renovated bathroom, very neat and functional kitchen, and air conditioned for your summer and winter comfort, the best part in my view is the very large courtyard area making for extending living opportunities and a great space to enjoy with friends and family. Public transport close by and adjoining the recently refurbished Joondanna Reserve with bbq facilities and activity equipment, your viewing is recommended.
