This home has been a much loved home of Pearl and sadly is needing to be granted Probate - we are hoping it will be finalized before Christmas but may require extra time until early 2025. A Contract can be signed with an extra Clause inserted to protect both parties and so it cannot settle until Probate has been granted.

This may be ideal for those Buyers needing time to sell their homes to purchase.

Unfortunately for the Buyers this may result in a "Multiple Offer" situation which is great for the Seller but may feel stressful for the interested Buyers. But do not miss this opportunity to purchase this lovely home and live in this extremely popular Over 50's Resort. Give it a try as you could be the next happy Owner!

When you purchase an Over 50's Home it is subject to the manufactured Homes Legislation QLD - you purchase the home and lease the land and because you do not own the land , the Banks do not lend on them so you must have cash to purchase

It is not a Retirement Village but an Over 50's Park and as all residents must be aged over 50
