**BEST BLOCK FOR THE BEST PRICE. \$32,000  
SNAP IT UP RIGHT NOW...**

A great block, level and 1012m2 and ready to build on.

Ready to build whatever you choose - a big family home would be ideal, a shed/house (Council approved of course) to live in or as a week-ender or even one of the new transportable homes that are cost very cost efficient (see - Same Day Granny Flats – Cairns).

Backing onto the school. A lovely little country school with a handful of kids, so not the usual noise of a bigger school.

Walk to the coffee shop, choice of 2 pubs, general store, hardware shop and post office.

What more can I say, except this block is very well priced and owner keen to sell it.

Call me anytime Kendall 0417 167 695 for more information on Chillagoe and how lovely it is to live or have a week-ender there.
