ANOTHER MOUNTAIN CREEK PROPERTY SOLD BY TRUDI GOWER

Immaculate inside and out! This is a large family sized home with multiple living zones and a kitchen that has more cupboard space than you would probably ever need! The master bedroom features a big walk in robe and en suite and has good separation from the other three bedrooms that all have built in wardrobes. The main bathroom is also a good size and has separate toilet. The outdoor undercover entertaining area is positioned perfectly so you can relax and watch the kids play in the pool or kick a ball around on the lawn. There are fans throughout, tiled floors, security screens, water tank, garden shed, low maintenance gardens and the allotment is fully fenced.

This home is so beautifully maintained by the sellers – inspect soon because at this price level and condition it won't last long!
