ANOTHER BUDERIM PROPERTY SOLD BY TRUDI GOWER AND PAUL CONWAY

Don't let this one get away! Quite possibly the most well maintained and conveniently located home for the family on the market right now!

This family home is positioned in a tightly held, two street neighbourhood with local traffic only, and takes pride of place on a huge 800 square metre corner block. With side access for the boat and caravan, a garden shed and also a 'drive-thru' garage, there's ample room for all the toys and tools.

You will be happy you made the effort to inspect this home because it is as neat as a pin inside. The master bedroom has a large walk-in wardrobe and a good sized ensuite. The other three bedrooms all have wardrobes, fans, tinted windows and security screens too. You could be forgiven for thinking this home has never been lived in - the bathrooms and kitchen are that well maintained!

There is an undercover outdoor entertaining area to enjoy with friends and family, and with the benefit of being fully fenced at the rear, the family pet can feel included too!
