ANOTHER BUDERIM PROPERTY SOLD BY PAUL CONWAY AND TRUDI GOWER

Circumstances have dictated that this beautiful home in one of Buderim's favourite streets sells... Lucky you.

Set just a stones throw away from local shops and cafes, within seven minutes to the beach, and within the Mountain Creek school zone you will find this immaculate home set to sell.

The open plan with high ceilings in the living area gives that sense of light and space; it's here the family can catch up and chat about the day that was. The chef of the home will love the well-appointed kitchen alongside that features brand new appliances and a skylight to keep things positive.

Entertain the guests either in the designated dining area that allows for your extendable table, or alfresco style on the outdoor entertaining area designed to cater for the masses; it's out here you can dine the night away as you watch the birds return home to your native backdrop before spending the remainder of the night in the 'new-like' six seater signature spa.

With two large water tanks, you can be sure that the landscaped gardens will always look good (particularly as they are drip fed by an irrigation system).
