Entertain friends in one of the three living zones that are air-conditioned or dine alfresco on a summers evening at the side patio area.

The interior of this home has been lovingly cared for and well maintained... the furnishings including paint work and carpeting are like new! The kitchen is the hub of the home and features Corian benchtops, Smeg appliances and ample cupboard space. There are four good sized bedrooms with built-ins including the master bedroom with ensuite and spa bath. The office has built-ins too so could easily be a 5th bedroom if required.

This property is perfectly elevated and positioned to take advantage of the many parks where the kids can play and kick the footy or walk the dog along the tree lined walkways. This is one of those homes in one of the best streets and leaves nothing more for you to do than just sit back and realise just how
